

Tips for writing STORIES

Decide who the characters are

What will be the setting?

Where and when? Past, present, future?

What will be the main event?

What will be the plot?

What order will things happen? Which things lead up to the main event?

The ending

How will the story end? Will it be a happy or sad ending?

Other useful things to think of...

Who? Where?
What? How?
When? Why?
